OUR ONE DAY SPECIAL

The Patent Tension Shears

**Saturday
Only**

NOTE THE PATENT TENSION SPRING. It does away with resharpening entirely. Shears, six, seven and eight inches in length.

These Shears are manufactured of the highest grade steel, perfectly tempered and heavily nickle plated on a high polished surface. The patent tension spring takes up all the wear on the rivet so that the cutting edges will never be dull. A simple turn of the little thumb screw will adjust the blades to cut anything from the most delicate fabric to the heaviest material.

READ THE GUARANTEE. We guarantee the quality of the material and workmanship in these shears to be first-class in every respect. That the tension spring doubles the usefulness of the shears. A printed guarantee certificate accompanies every pair. Sold in many other stores for \$1.00 per pair. Saturday only, we will **39c** sell these shears, per pair, for
